This is to certify that an audit has been conducted for

Hanex UK

on their product(s)

Acrylic Solid Surface

which has/have been found compliant with the criteria
required in SKArating Good Practice Measure(s)

M18 Kitchen Fittings in Offices v1.2

The Label must always be used with
the associated product name, GPM and
scheme version, as shown above.

The Label and certificate remain the
property of RICS and Grigoriou Interiors
and are issued subject to terms and
conditions. The Label is valid if all
the product details submitted by the
manufacturer or supplier for the review
remain unchanged. Handover evidence
is still required in all assessments.

Check the validity of this Label certificate
on the RICS SKArating page
