sensation

“Sense” for
100% wood feeling!

“Sensation” confidently
demonstrates the innovative
power of the technology!

The **sensation** story

Technology meets nature.

Our innovative **sensation** synchro wood technology creates tactile surfaces, perfect for furniture fronts, wall elements, and accent surfaces. **sensation** delivers the authentic wood experience wherever touch matters, while offering a resource-saving alternative to real wood.

The new sensation: Our Synchro Wood Technology!

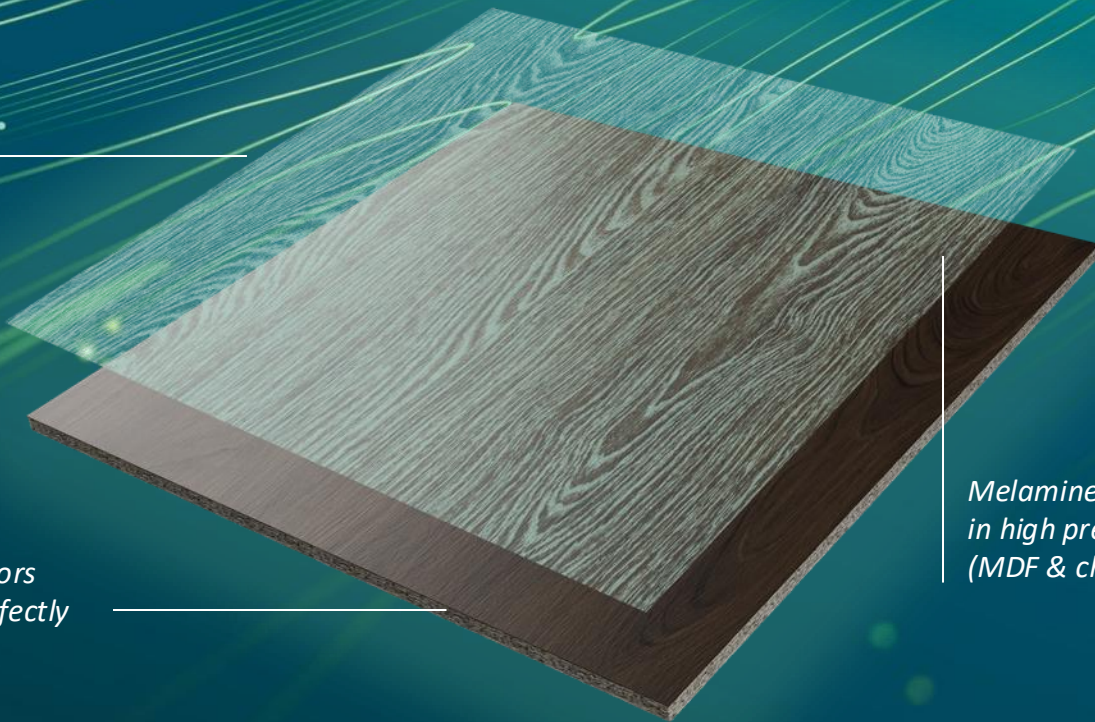

sense
sation

TECHNOLOGY

*One lifelike
synchro-wood
texture for three
types of wood*

*Harmonized wood decors
in 9 natural colors, perfectly
matched to 3 different
wood species*

*Melamine faced board
in high precision quality
(MDF & chipboard available)*
