### NEFF LEARNING CENTRE

Open Monday to Friday from 9am to 5pm in Citywest, Dublin, the Neff Learning Centre is the ideal setting to find a Neff appliance that will truly suit your needs. See our huge Neff display, talk to our Neff expert advisors and be confident you are choosing the best equipment for your new kitchen. For more information, to make an appointment or to attend a demonstration please call: (01) 413 6416.

### PARTNER PROGRAMME

Only Neff dealers that have signed up to the PartnerProgramme have access to the exclusive collection of PartnerProducts appliances.

PartnerProducts are highlighted in this leaflet with the PartnerProduct symbol

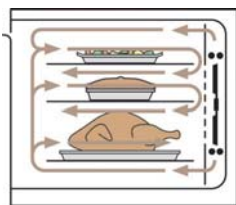

### PRICING

While every effort is made to ensure the information contained within this promotional leaflet is correct, no responsibility can be accepted for any errors, omissions or alternatives to specifications or prices. Retail prices quoted are non binding distributor recommended retail prices and include VAT. Due to our policy of continuous development, Neff reserves the right to alter specifications and prices without notice.

Prices will be applied as are current at the date of despatch. Colours must be specified where applicable. A copy of the company's full conditions of sale is available upon request. Offer valid until 31/08/13.

June 2013 Edition

## SOME OF THE UNIQUE NEFF FEATURES

**CIRCO THERM®**  
CircoTherm® works by drawing air in from the oven via a powerful fan, heating up the air and forcing it right back into the oven cavity through strategically placed ducts in the rear wall.

**SLIDE&HIDE® DOOR**  
By sliding neatly under the full-sized oven as you fully open the door, it saves space in your kitchen and provides easy access to the inside of your oven.

**CIRCOSTEAM**  
The combination of steam and conventional hot air cooking produces delicious, moist, crispy and healthy food in an energy efficient manner. Perfect results are guaranteed every time.

**REVOLUTION HANDLE**  
A number of Neff ovens also feature the Revolution Handle, ergonomically designed to make opening and closing your oven easy and safe.

**VITAFRESH 0°C**  
VitaFresh 0°C compartments store meat, fish, fruit & vegetables at their optimum humidity levels ensuring that the nutrients and vitamins are retained for longer.

**NEFFSPARKLE® SYSTEM**  
A combination of delicate washing programmes, glass-friendly baskets, lower spray pressure and gentle drying to keep your glasses pristine.
